

Colombo, 31st May 2016
For immediate release.

SLC/201649

Eranga reported for suspect bowling action.

Eranga reported for suspect action during 2nd Test. Testing to be completed within 14 days.

Fast bowler Shaminda Eranga has been reported by match officials during the 2nd Test held at Chester-le-Street yesterday for a suspect bowling action.

His bowling action will be scrutinised further under the ICC process and he will undergo testing within 14 days.

Eranga is permitted to continue bowling in international cricket until the results are finalised.

~ends.
